## **LICENSED CONTRACTORS TO RECEIVE ONE-TIME REFUND**

***HENDERSON and RENO, Nev.*** – Beginning this week, the Nevada State Contractors Board will begin issuing a one-time refund check to eligible licensed contractors as of June 30, 2015. The Board's Reserve Account will disburse approximately \$2.6 million in excess funds to nearly 15,000 current active and inactive licensees on a pro-rata basis of their license fees paid over the past five years (the time taken to accumulate the excess amount).

Contractors who have maintained an active or inactive license over the past five years with no lapse are expected to receive an estimated refund between \$39 and \$198.

**Upon receipt of a refund check, please cash it as soon as possible, as there will be a 90-day window before the check becomes void.** If you have any questions relative to this matter, please contact our office at (702) 486-1100 or (775) 688-1141.
