FRAUDULENT LICENSING RENEWAL SCHEME

Recently, contractors in South Carolina began receiving bogus license renewal notices with instructions to return their renewal fees to a Georgia address other than the official state licensing office. The renewals looked official, except for the return mailing address.

The Nevada State Contractors Board does not use a processing service for any renewals or payments. All application renewals for the Contractors Board are to be sent to NSCB offices in either Henderson or Reno, NV:

Nevada State Contractors Board
2310 Corporate Circle, Suite 200,
Henderson, NV 89074

Nevada State Contractors Board
9670 Gateway Drive, Suite 100
Reno, NV 89521

Nevada contractors are alerted to this fraudulent renewal scheme and requested to report any such activity immediately to the Nevada State Contractors Board at:

(702) 486-1144.
