Contractors Board Suspends License of Las Vegas Contractor

The Nevada State Contractors Board took proactive action on Thursday, Oct. 18, 2007, by summarily suspending the license of *Showerpro, Inc.*, license number 56838, (Glass & Glazing) based out of Las Vegas, NV, after information had been received that the business had been sold and the licensed owner failed to notify the Board of the sale.

A summary suspension permits the Board to provide valuable information alerting the public to a potential problem. Contractors who are found guilty of violations related to their construction activities may receive fines up to \$50,000; have their licenses revoked or suspended; be placed on probation; ordered to pay restitution to the homeowner(s) or may be ordered to hire another licensed contractor to repair their work.

Homeowners, or licensed contractors approached by representatives of Showerpro, Inc. are urged to immediately contact the Nevada State Contractors Board at: (702) 486-1100, Ext. 1144.
