BOARD REVOKES TWO LICENSES AT DECEMBER HEARINGS

RENO and HENDERSON, Nev. – The Nevada State Contractors Board took action against several licensed contractors for violations of Nevada Revised Statutes Chapter 624 during its December hearings.

Michael D. Bell, dba Golden Bear Construction, license number 37123 (residential and small commercial), based out of Carson City, Nev., was found in violation for contracting beyond the scope of the license, willful disregard of the state's building laws, failure to take appropriate corrective action, misuse of a license, failure to include the license number or monetary limit on a bid or contract, and failure to establish financial responsibility. Licensee was fined \$6,000 and assessed investigative costs. The license was suspended pending payment of fines and costs.

Nevada Controls, LLC, license numbers 74058 (electrical) and 74056 (general engineering), based out of Carson City, Nev., was found in violation for bidding in excess of the monetary limit placed on the license, failure to prosecute a construction contract or operation thereby causing material injury to another, failure to comply with a written request from the Board, failure to notify the Board of a bankruptcy, and failure to establish financial responsibility. The licenses were revoked. Fines and costs were not assessed due to the respondent's Chapter 7 bankruptcy filing.

Home Innovations, license number 67302 (low-voltage electrical), based out of Henderson, Nev., was found in violation for substandard workmanship, failure to take appropriate corrective action, failure to include the license number or monetary limit on a bid or contract, contracting beyond the scope of the license, and failure to establish financial responsibility. Licensee was fined \$2,550 and assessed investigative costs. The license remains suspended pending submission of a financial statement that supports the license limit. A hearing to determine restitution in this case has been set for February 17, 2016.

A.A.C.A., LLC, dba Mr. Rooter Plumbing, license number 73696 (plumbing), based out of Mission Hills, Calif., was found in violation for willful disregard of the state's building laws. Licensee was fined \$5,000 and assessed investigative costs.

Jersey Electric, dba Jersey Electric & Solar, license number 52193 (electrical) based out of Las Vegas, Nev., were found in violation for failure notify the Board of a bankruptcy. Fines and costs were not assessed due to Jersey Electric's bankruptcy filing.

Bee Green Energy, LLC, license numbers 78089 (electrical) and 78239 (residential and small commercial based out of Las Vegas, Nev., were found in violation for misrepresentation of a material fact intended to induce another person to use services of the contractor, substandard workmanship, failure to include the license number or monetary limit on a bid or contract, and failure to establish financial responsibility. Licensee was fined \$1,300 and assessed investigative costs. License number 78089 was suspended pending submission of a financial statement that supports the license limit and payment of fines and costs. The qualified individual was removed off license number 78089.

Robert Clifford Finley, dba Finley Electric Services, license number 57936 (electrical), based out of Sparks, Nev., was found in violation for failure to pay money due for materials or services, failure to respond to a written request from the Board, and failure to establish financial responsibility. The license was revoked. Licensee was fined \$3,000 and assessed investigative costs.

(more)

The Nevada State Contractors Board is committed to protecting the public's health, safety, and welfare through licensing and regulation of the construction industry. Under Nevada Revised Statutes, a licensee is subject to disciplinary action by the Board for failure to comply with the requirements of the laws or regulations governing contractors. Violations may result in Board action against the contractor's license. The State Contractors Board has the power to regulate contractors and discipline licensees who violate NRS 624. Disciplinary action may consist of a fine of up to \$10,000 per offense, order corrective action, suspension, revocation or other action.
