GOVERNOR APPOINTS MASON GORDA TO CONTRACTORS BOARD

HENDERSON, Nev. – Governor Brian Sandoval has announced the appointment of Mason Gorda, Senior Vice President of Ledcor Construction, Inc., to the Nevada State Contractors Board, effective Nov. 1, 2016. The Board is comprised of seven members, including six licensed contractors and one public representative.

“We are pleased to welcome Mr. Gorda to the Nevada State Contractors Board,” said NSCB Executive Officer Margi A. Grein. “He brings a breadth and depth of expertise in commercial construction that will further the Board’s mission to protect the public’s safety and welfare and regulate the building profession.”

A long-time resident of Nevada, Mr. Gorda has managed a variety of projects throughout North America in his 35 year tenure at Ledcor. “I’m both proud and honored to be considered and selected to serve on the Nevada State Contractors Board.” Ledcor has had continuous ongoing operations locally for over 27 years from offices in both Northern and Southern Nevada.

The Ledcor Group of Companies is one of North America’s most diversified construction companies, serving the building, heavy industrial, civil and infrastructure, mining, pipeline, power and communications sectors. Ledcor also owns operations in aviation, forestry, marine transportation services, property investment, and wastewater treatment.

Mason has previously served on several other boards, including most recently as Chairman of the Board of Directors for the Associated Builders and Contractors Nevada for the past 3 years and as a Board Member for the Associated General Contractors.
